

Privacy Polic

December 11, 2025:

Your privacy is important to us. This Privacy Policy explains how the **Friends for Laura Belsky** campaign (“we,” “our,” or “the campaign”) collects, uses, and protects the information you provide when visiting our website.

Information We Collect

We may collect the following information when you interact with our website:

- **Voluntarily submitted information** such as your name, address, phone number, and email when you sign up for updates, volunteer, or request a visit for nomination signatures.
- **Donation information**, processed securely through third-party fundraising platforms. The campaign does not store credit card numbers or payment details.
- **Technical information**, such as IP address, browser type, pages visited, and referral sources, collected through cookies or analytics tools.

How We Use Your Information

We may use your information to:

- Respond to your requests (updates, volunteering, nomination signatures, etc.)
- Send campaign communications such as emails or texts
- Improve website performance and user experience
- Comply with campaign finance reporting requirements under Wisconsin law

We **do not sell, rent, or share** your personal information with outside organizations, except as required by law (e.g., campaign finance reporting) or with trusted vendors who assist in campaign operations (such as email services or donation processors).

Opt-Out Options

You may unsubscribe from campaign emails or texts at any time by using the link provided or by contacting the campaign at the email listed below.

Data Security

We take reasonable measures to protect your personal information from unauthorized access, disclosure, or misuse. However, no website or electronic system is completely secure.

Links to Other Websites

Our website may link to third-party sites. We are not responsible for the privacy practices or content of those sites.

Children's Privacy

This campaign website is not intended for individuals under 13 years of age, and we do not knowingly collect information from children.
